Dear Neighbour

– Jovonni Edwards

How are you doing today ?

The grass is green,

The sun is shining,

We are alive to see a new day.

We live by one another,

On this huge planet that is our home,

If we cannot learn to greet another,

And treat one another with love,

Then what good will be able to come ?

I understand dear neighbour,

We may not know one another's name,

Nor see one another often,

It is easy to feel as if we are strangers,

But that is not true, I promise

So please do not fear me, dear neighbour, I am

Just a simple man,

Living on this earth as happily, peacefully

And joyfully as I can
